The English Department this year has had a specific course of study. The main objectives of this department have been to secure and make available professional literature to make teaching more effective, to coordinate the teaching of English to cover the same general course of study, to establish cumulative reading lists for all students yearly, to provide approved reading lists for all grade levels, to establish a pupil handbook to coordinate and develope uniformity in compositions requiring research and documentation, to provide a program of instruction on the use of the library, to select more books for the library, and to develope courses of study specifically designed to meet the needs of honor, plan I, plan II, and remedial English classes. The English Department has placed a special emphasis on the necessity of Fire Prevention in compliance with state requirements and devoted class time for the viewing and discussion of films on drug abuse.

MISS FREDDIE BENNETT
Related Math

It is the purpose of the mathematics program to enable the students to achieve skills in the manipulations, understandings of principles and concepts of mathematical background necessary for his place in life. In order to have mathematics courses available for each student, three different plans that vary in their content and degree of difficulty are offered. The honor plan, including five years of mathematics, is for students who will major in mathematics, science, or engineering and will need a strong mathematical background. Plan I is for the college preparatory students who are capable of taking college courses. Courses offered to college-bound students are Algebra I, Geometry, Algebra II, Trigonometry, Algebra III, and Math Analysis. Plan II is for the non-college preparatory student. Related Mathematics I, Related Mathematics II and Consumer Mathematics are provided for this group. This gives them the "new" Math but geared to their level of development.

Science

The Science Department has made some progressive changes this year. The lab experiments are no longer the "cook book" type which were used several years ago.

The Physical Science is made up of topics from Chemistry and Physics and as a result a Physical Science class may resemble the projects of Chemistry or Physics classes.

All classes have lab periods. Lab is being made available to all Physical Science classes for the first time. Due to the changes in text books and methods of teaching, equipment is no longer designated as Physics, Chemistry, or Physical Science, but is used in any science course whenever needed.

Language

MRS. GENE MARTIN
Latin I, II

The Language Department at Marshall High School offers three languages to the students—French, Spanish, and Latin.

The French Department, headed by Mary Provenza, endeavors to extend the student's knowledge of French and the use of the language in later years. Four levels compose the French Department—French I, I, III, and IV. French I students learn the basic essentials of French while French II students dive into the language deeper examining sentence structure and sentence writing. French II and IV students enjoy the year in the reading of books, magazines, and other articles. French III and IV students sponsor a "French Day," for all French students.

The object of every student in the Spanish Department is to learn to hear, speak, read, and write Spanish. These four skills are being taught in a carefully prescribed sequence. For diversion, they sing Spanish songs, read Spanish magazines, decorate the bulletin board, and view slides.

Latin provides an opportunity for pupils to be aware of their heritage from the Romans, who have achieved a kind of immortality through their lasting contributions to language, laws, science, medicine, and other fields. Fundamental grammar functions through a selection of stories from mythology and history, both Roman and Greek. Vocabulary building is an important part of a Latin course, especially since more than fifty percent of all English words have been derived from Latin.

The torch of classical civilizations is carried through the activities of the Junior Classical League, the local Latin Club, which is affiliated with both state and national organizations. Latin becomes very much alive for JCL members, for whom the state convention is the climax of the year's activities.

Business

The Business Education Curriculum of Marshall Public Schools is a distinct part of the total school program. Although all business education courses are electives, there is much to be gained by all who take them. For the terminal student, it provides an adequate program of vocational preparation. For the college bound student, it is two fold: Firstly, it enables him to obtain a part-time job, if one is needed, while he is going to college. Secondly, it prepares him for initial employment if he should drop out of college before he finishes.

The department is now composed of three teachers, and three affiliated FHA chapters. Future Homemakers' organization is an integral part of the total Homemaking program therefore many projects are sponsored by them. Some of the many projects are the Rest Homes, "Christmas Open House," assembly programs, programs for civic organization and money raising projects. Each chapter has executive officers and plan their program of work guided by the state and national organization. The degree program is emphasized and many receive Junior and chapter and a few outstanding girls receive the state Homemaker degree. Some of the units taught are Housing and home furnishing; child care; personal development; and marriage preparation; consumer education; and feeding the family.

Marshall High's Hall Of Fame

There are many ways in which a school may give recognition to its outstanding students. It is hoped that through the years the MAVERICK Hall of Fame will become the most coveted honor Seniors of Marshall High School can earn. Few are chosen: the competition is keen.

The Seniors included here are, in the opinion of the faculty and by merit of their high scholastic achievements, the most outstanding leaders and scholars of the 1970 graduating class. The MAVERICK is proud to present the seniors of 1970 who shall take their place among Marshall's Distinguished as those worthy of recognition because of their untiring efforts in every field as students of Marshall High School.

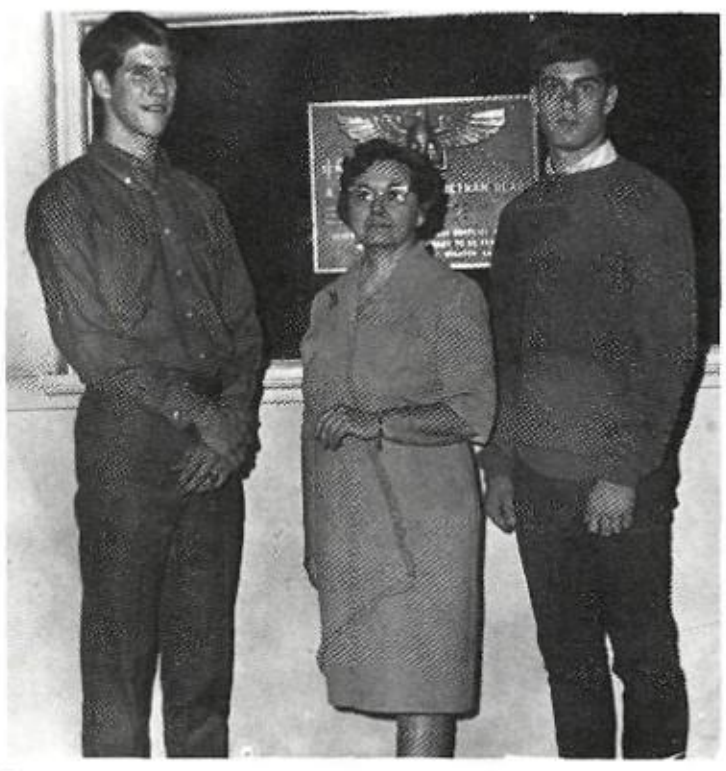
Sugarman Clark comes up to bat as he helped to lead the Mavs to a North Zone Championship.

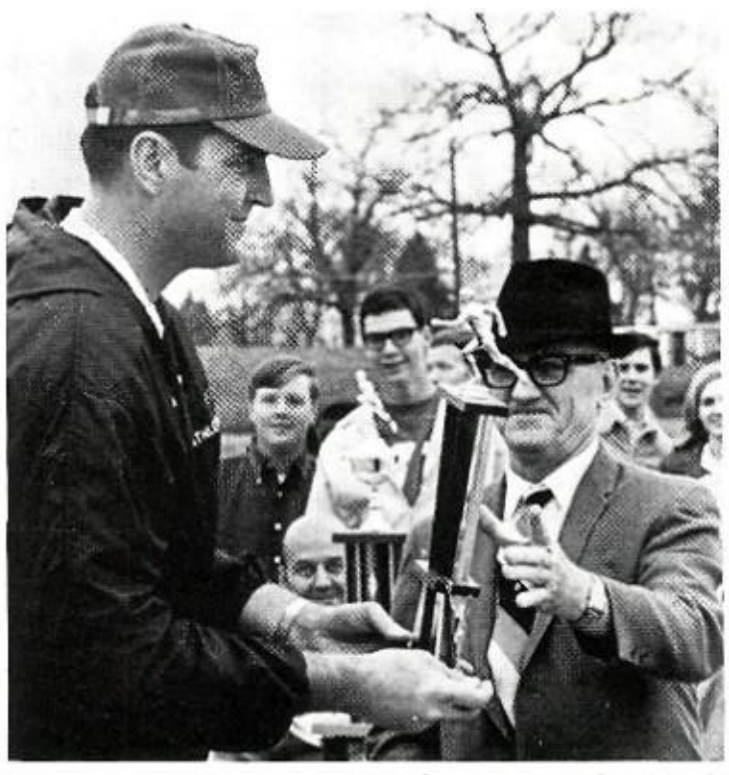
Spring Elections Are Held In March

March found M.H.S. looking ahead to a new year. The student body elected two capable leaders, Ronald Rodgers and Phillip Pierpont, to serve as President and Vice-President of the Student Council. The spirit of M.H.S. will be in the hands of Carol Hirsch, head cheerleader, Neala Wilson, Brenda Shirley, Debbie Johnson, Bonnie Timmins, and Betty Smith. March is a busy month for sports as the Mavs participate in baseball and track. There may have been a slight case of spring fever in March as everyone awaits the end of the school year.

Spirit is high at tryouts for cheerleaders of 1969-1970.



President Ronald Rodgers and Vice-President Phillip Pierpont make plans with Mrs. Harrell for the following school year.



Mr. Roark accepts a trophy for track which represents the ability of the Mavs to excel in sports.

Annual Party Highlights April

James Stone captivates his audience at the Annual Party with his singing.

Entertainment at the Annual Party was provided by Steve Quinn. Larry Thompson, Steve Hightower, and Don Wynn.

In April the Drill team featured a dance with the Uniques.

With April showers came many activities in which students at M.H.S. participate. The highlight of April was the Annual Party. Favorites were revealed, and the yearbooks were passed out. The Senior Banquet took place in April, and the Drill Team Dance with the Uniques was a great success. Students elected their new cheerleaders, drill team officers, and their future leaders of the student body for the coming year.

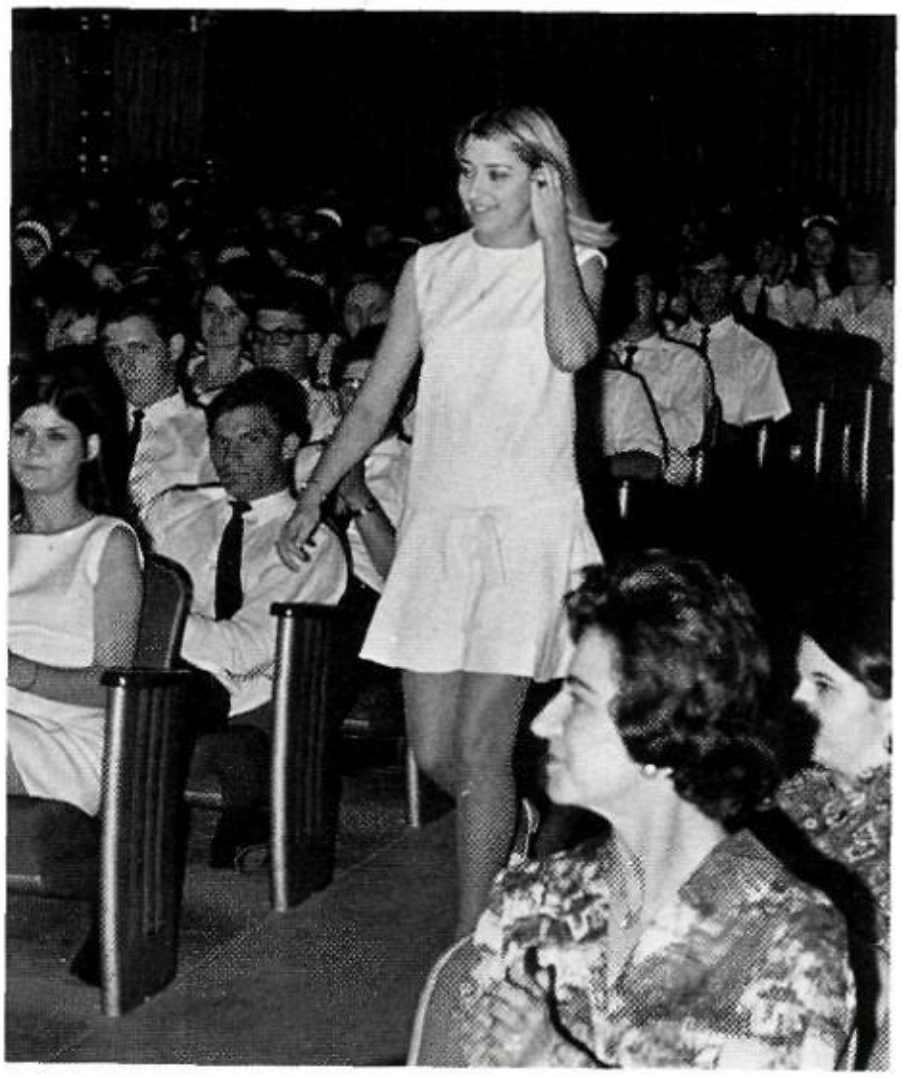
This is a Unique guy!

Exa Tittle, Jan CcCay, and Patsy Perkins help Donna Diercks try out for an officer in the Mavettes.

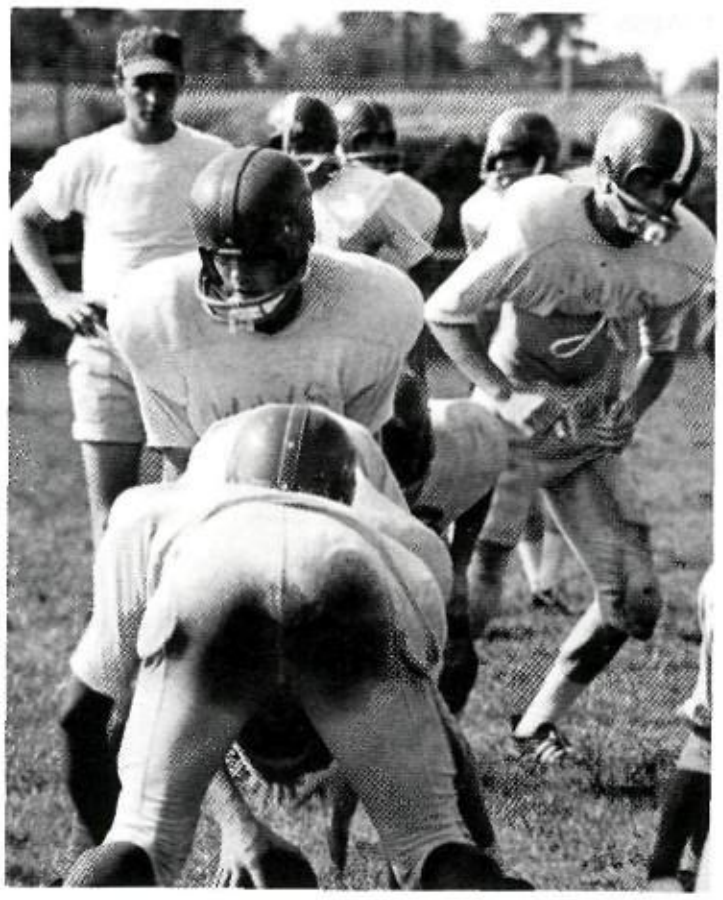
May Brings School To A Close

May can be a happy month for some students while it can be the beginning of a complete change for others. For seniors it is the end of high school years and the beginning of college. Others look forward to May because it is the end of school and time for summer and fun. Spring training takes place in May, and the Mavericks look ahead to their next football season. Freshmen, sophomores, and juniors are faced with study for exams while seniors are enjoying senior parties and awaiting graduation.

Sammy King is faced with the thought of exams in May as he ponders a question on a test.



Time to leave is drawing near for the seniors as Cathy McGough receives an award at the awards assembly.



Mavs go through spring training in May as they prepare for the next year of football.

Coach Brooks gives the Mavs a pep talk as they end another day of spring training.

Patti Cox and Theresa Furrh enjoy swimming as a popular summer pastime during the hot summer months.

With time on their hands, M.H.S. students become involved in different activities during the summer. Some choose to take on the responsibility of a summer job while others wish to take it easy and relax by swimming and sunning. Vacations are planned during this month, and some students even decide to learn a little more by enrolling in summer school. June is a change of pace from the busy school life, and everyone is glad to take it easy for a change.

M.H.S. students find pleasure in the water during the summer.

Typing is a popular course in summer school as Libby Wood and Janet Weaver learn to type.

The Hot Summer Month Of July

July finds M.H.S. students involved in many exciting activities. Some are on family vacations, and some decide to stay at home and take it easy. A group of students chaperoned by Miss Hall and Mrs. Parker, even decided to leave the country, and they had an exciting tour of Europe. Drill team members traveled to Dallas and began preparations for the coming school year at SMU Drill Team Camp. Summer school comes to a close in July, and everyone enjoyed doing exactly what they wanted to do.

Mrs. Parker, Suzan Ware, Beverly Kerr, Francene Neely, Adrienne Anderson, Greg Lewis, Debbie Havron, and Dick Duncan prepare to depart from Shreveport for a six weeks stay in Europe.

The proud stance, displayed by the members of the Drill Team, is accomplished through long hours of training at SMU Drill Team Camp.

Beverly Kerr, Suzan Ware, Constance Wood, Debbie Havron, Libby Wood, and Adrienne Anderson make a stop on their trip to Innsbruck in the breathtaking Austrian Alps.

Summer Fun Ends In August

Seniors undergo their final registration at M.H.S. late in the month.

The last few days of August bring with them a closing of summer recreation while preparations begin for the upcoming year. Students are faced with purchasing school supplies and school clothes which will be useful to them in September. Activities such as cheerleading camp, drill team practice, football practice and school registration remind us that the school year is drawing near. There is the anticipation of meeting new friends while the former juniors will take over and new freshmen will be carefully viewed.

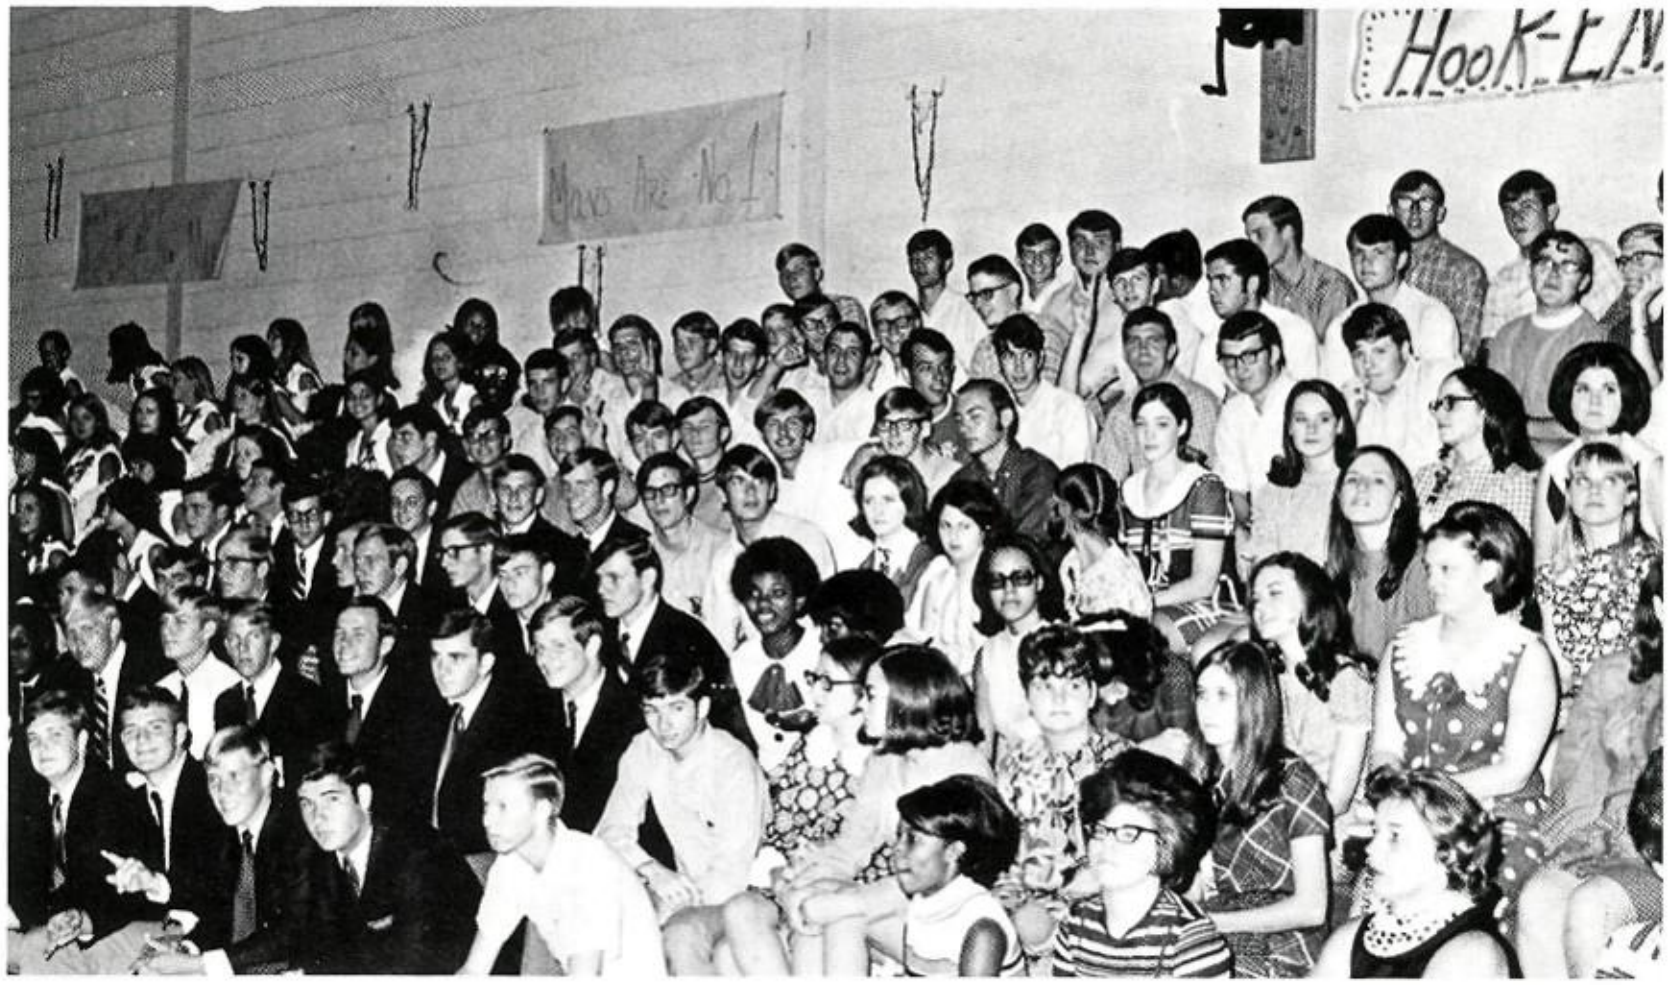
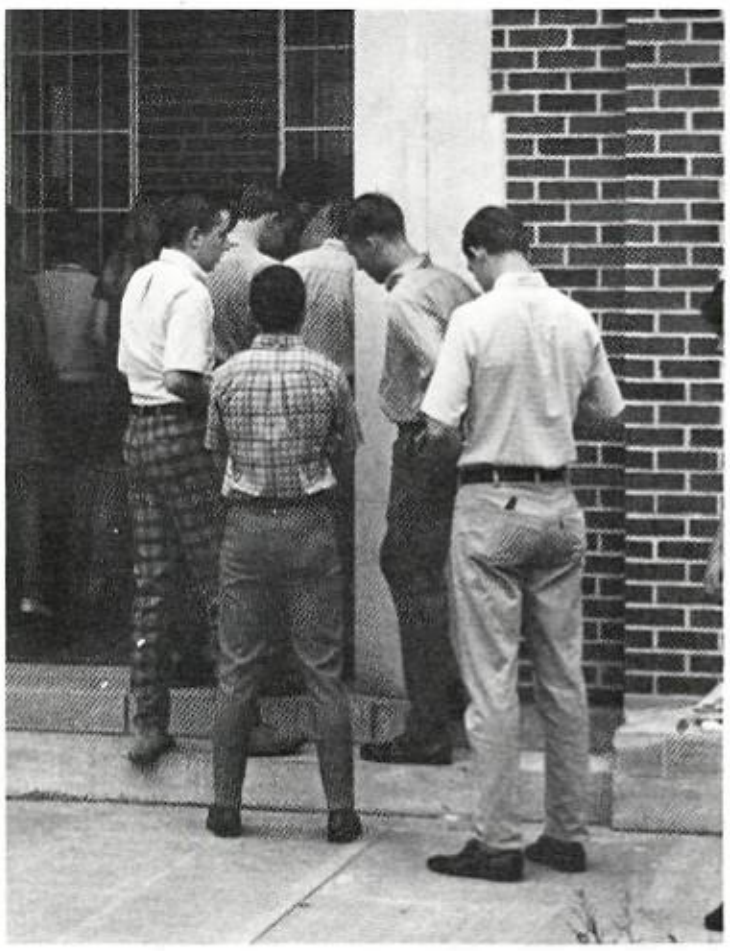
Here We Go Again!



Maverick fans cheer the Mavs on to their first victory at a high-spirited pep rally.

Marcia Adams, a Marshall Mavette, is going to an early September morning drill team practice with the band.

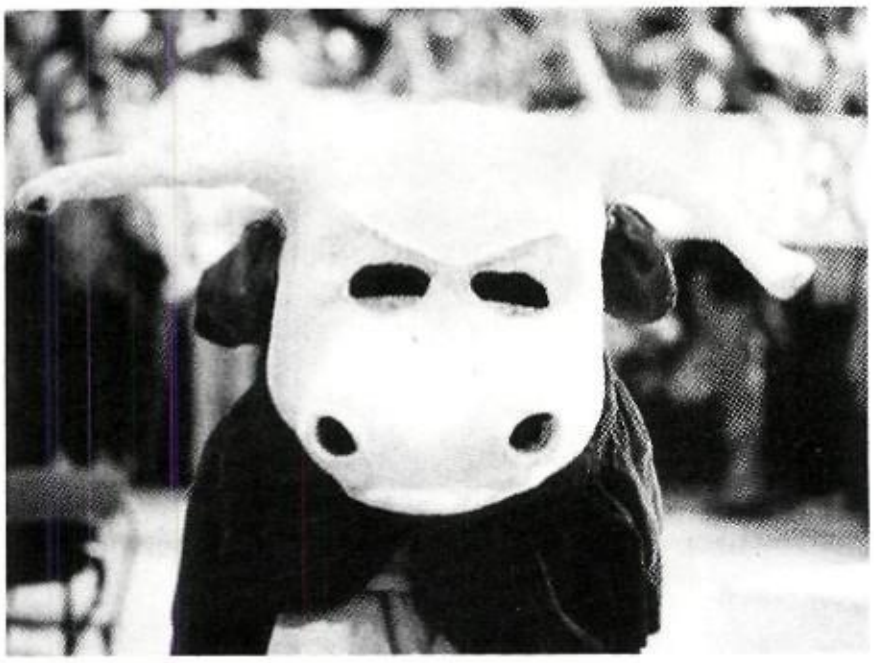


Seniors stand in line to receive their long-awaited senior rings. Underclassmen avoid standing in the path of a senior for fear of being hit in the head.

September brings many changes in the lives of M.H.S. students. The switch from the lazy days of summer to the routine school days affects the students activities. This fall the Mavericks started off the football season with wins over Pine Tree, Palestine and Tyler Scott. The Drill team gave a first rate performance at each Maverick game and boosted the Mavs on to their victories. Seniors received their rings. Sophomores won the spirit stick at pep rallies, and school got off to a good start at M.H.S. for 1969-70 school year.

"Ouch!" says Junior Jimmy Roberts after being thumped on the head with a senior ring.

The traditional bonfire held after the coronation was an enthusiastic pep-rally highlighted by the burning of the Longview Lobo.



This Marshall Maverick better known as Martha Strack attends all the Maverick football games and pep-rallies to cheer the Mavs on to victory.

Rod Warfield serves as bartender in the Golden Point Saloon as the seniors present their skit at the Homecoming pep-rally.

Homecoming Climaxes October

Homecoming festivities dominate the month of October. The week-end of October 17 was an exciting one for Bonnie Timmins as she was picked Homecoming Queen at the coronation on Thursday night. Carol Hirsch and Neala Wilson reigned with her as duchesses. Following the coronation the bonfire was held and the Lobo was burned. The Mavericks played a close game against Longview Friday night while the twirlers presented an outstanding fire baton routine. The weekend was climaxed with a Homecoming dance planned by the senior girls. October came to an end with Halloween when the Mavericks played Lufkin and pranks were played.

Katie Becker is presented a bouquet of roses for being band sweetheart by a member of the band.

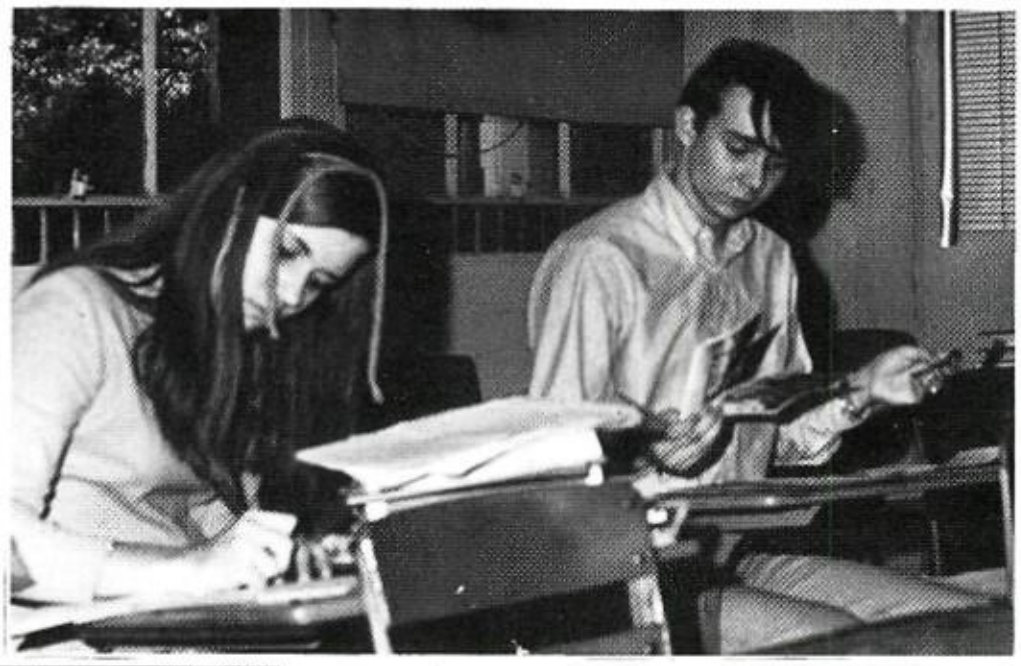
"So Proudly We Hail"

Coach Traylor (Beverly Kerr) and Coach Brooks (Emily Heim) drill the Mavs in Senior Drill Team skit at Pep Rally.

Color Guard for the patriotic assembly on Veteran's Day is composed of members of Explorer's Post 215.

The week of November 11 was designated as "So Proudly We Hail" week in Marshall. On Veteran's Day an assembly was held and the Mavettes along with band, twirlers, and choir presented a patriotic salute to "The Battle Hymn of the Republic."

Dr. Waller M. Ethridge delivered an inspiring talk to the entire sutdent body. Marshall High School was faced with its first bomb scare during the month of November, but it turned out to be a false alarm. November brought about a change in sports as well as a change in weather. Basketball is now the main sport at M.H.S. F.T.A. members attended the district convention, and Glennda Link was elected to serve as President of the 1970-71 convention which will be held in Marshall. The month of November ended on a happy note as students were dismissed for Thanksgiving holidays.



Annual staff members Elsie Snyder and John Crayton work toward the November deadline for the Annual.

Waller M. Ethridge delivered a talk about America to students at M.H.S. on Veteran's Day.

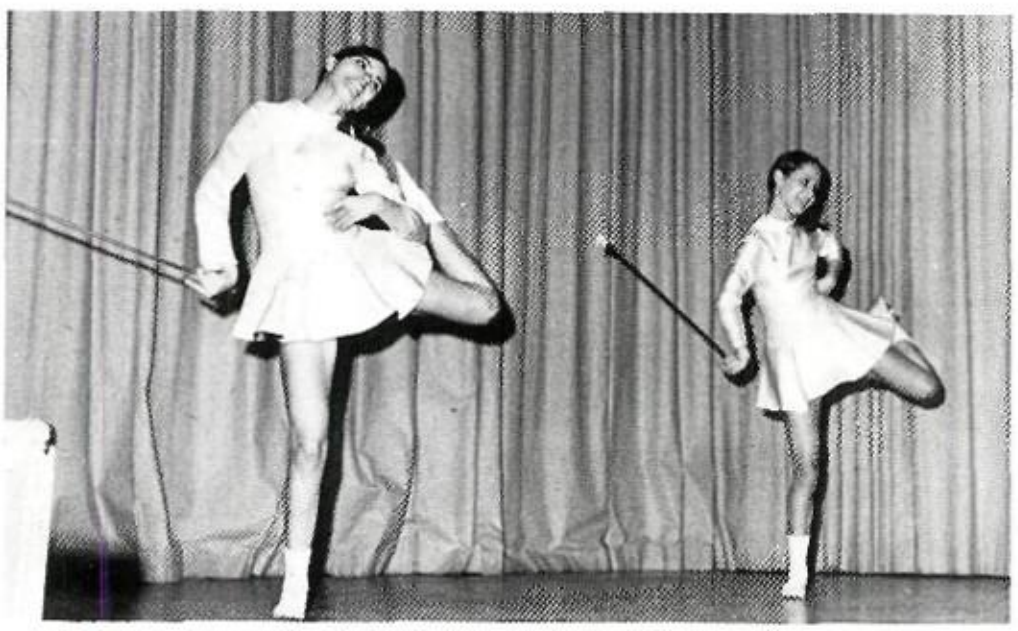
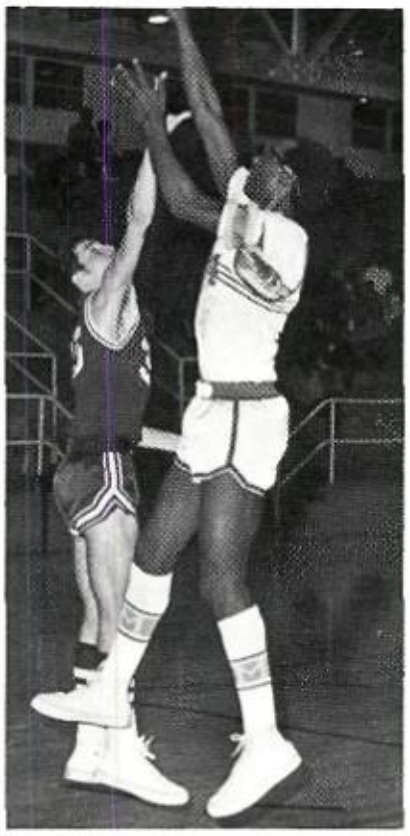
A bit hectic!



Donna Braswell and Carrie Sibley participate in the DE Talent Show as they perform a twirling routine.

Ronald Rodgers presents Mrs. Lois Faust a smoked turkey for Christmas to show our appreciation for her talented playing of the organ at Christmastime.

December Brings A School Vacation



The spirit of Christmas prevailed throughout December. Crowded streets, decorated houses, and presents were all a part of this season. At M.H.S. Christmas was brought out in many ways. Singing of Christmas carols was the first half of an assembly held the day school was dismissed for the holidays. The other half was of a more serious note in which the manger scene was depicted. In other activities the DE students held an amateur hour, and Mavericks continued an exciting season of basketball.

Alan Bailey battles with an opposing player for a rebound.

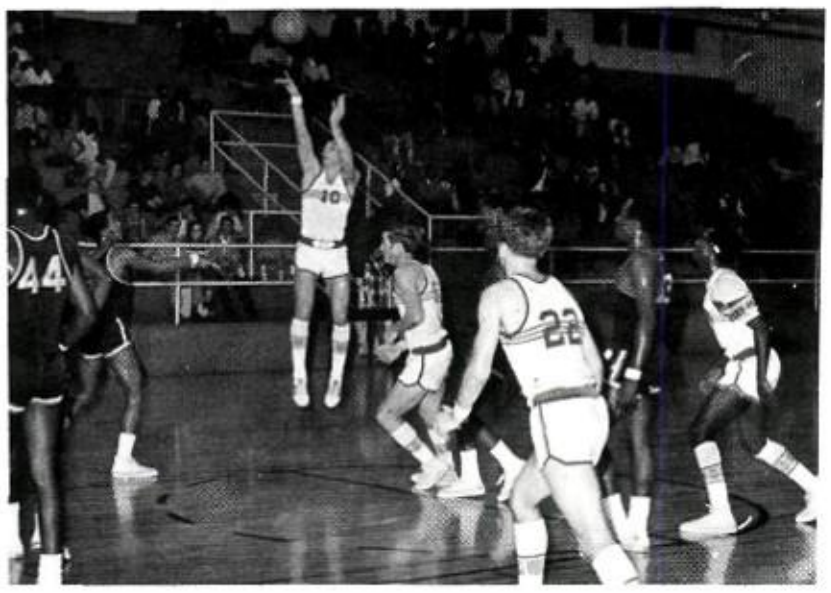
The manager scene is depicted by students of M.H.S. in an inspirational assembly.

January Begins A New Year

January begins a new year at M.H.S. Students are faced with a week of exams and everyone is relieved when they are over. This year students were fortunate enough to get a little snow in Marshall, and they enjoyed a day off from school. The Mavericks had a busy basketball calendar in January. One very important game was played this month against one of Marshall's rivals. The Mavs traveled to Longview and came out on top of that game by one point. The band and the drill team offer entertainment for the fans during the game. The year 1970 got off to a good start at Marshall High School.

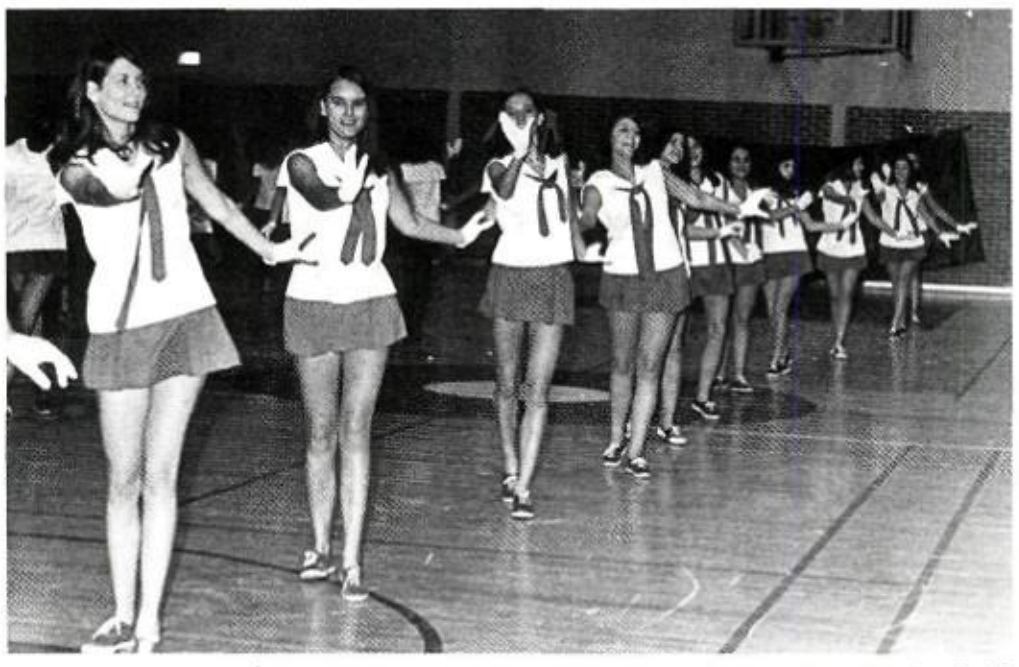
Mr. Ross works with his students in the lab to prepare them for their exams.

Judy Woods and Janet Shannon use their time wisely as they study for exams in the library.



James Phelps tries to make two as Lonnie Sibley, Archie Jones, and Alan Bailey look on.

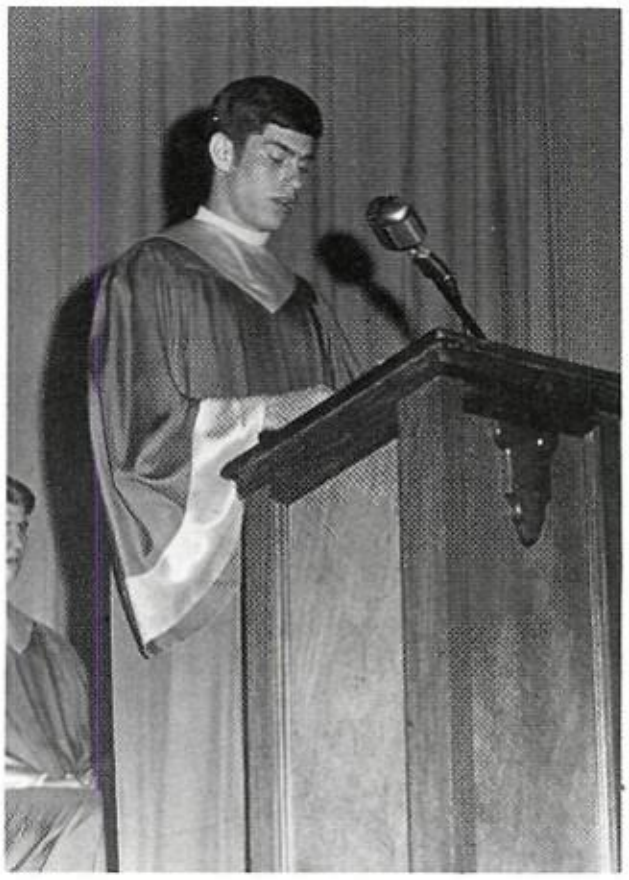
After an exhausting drill team practice, Emma Staggs sneaks up the stairs barefooted.



Members of the Mavettes provide entertainment for basketball spectators at halftime.

February Brings Annual Deadline

February is a busy month for the Annual staff. The final deadline for completion of the Annual is February 17, and there is much hustle and bustle to make it. February is also a month for sweethearts on Valentine's Day. Tennis practice begins at this time, basketball season comes to an end, and baseball practice begins. The National Honor Society announced their new members in a special assembly who were accepted under the basis of character, scholarship, leadership, and service. All in all February is a good month.



Ronald Rodgers takes part in the National Honor Society assembly as he talks on one of the four basics of qualifications.

Mark Lothrop begins preparing for tennis tournaments early in the year.

Members of the National Honor Society presented an impressive assembly for Juniors and Sophomores on character, leadership, and service, and scholarship.

Beverly Kerr, assistant editor, works toward the deadline as she arranges a layout for a page.

"The Blue Frogs" (Kyle Furrh and Jimmy Roberts) and Theresa Furrh and Suzanne Watson are presented their ribbons as Sophomore Favorites for 1969 by members of the Annual Staff.

The 1969 Annual Party was a combination party, dance, and annual signing party. Each class was represented in the entertainment and following each class entertainment class favorites were announced. The annual party was centered around the theme of the '69 Maverick —"Sights and Sounds of M.H.S." The decorations done by James Stone and Cricket Hayes revealed the cover of the 1969 annual.

Warren Clark serves as narrator at the 1969 Annual Party.

Vicky Pyle, Ricky Michaels, Sandra Blalock, and Tim Harris receive their ribbons as senior favorites from Elsie Snyder and Nancy Kariel who are members of the Annual Staff.

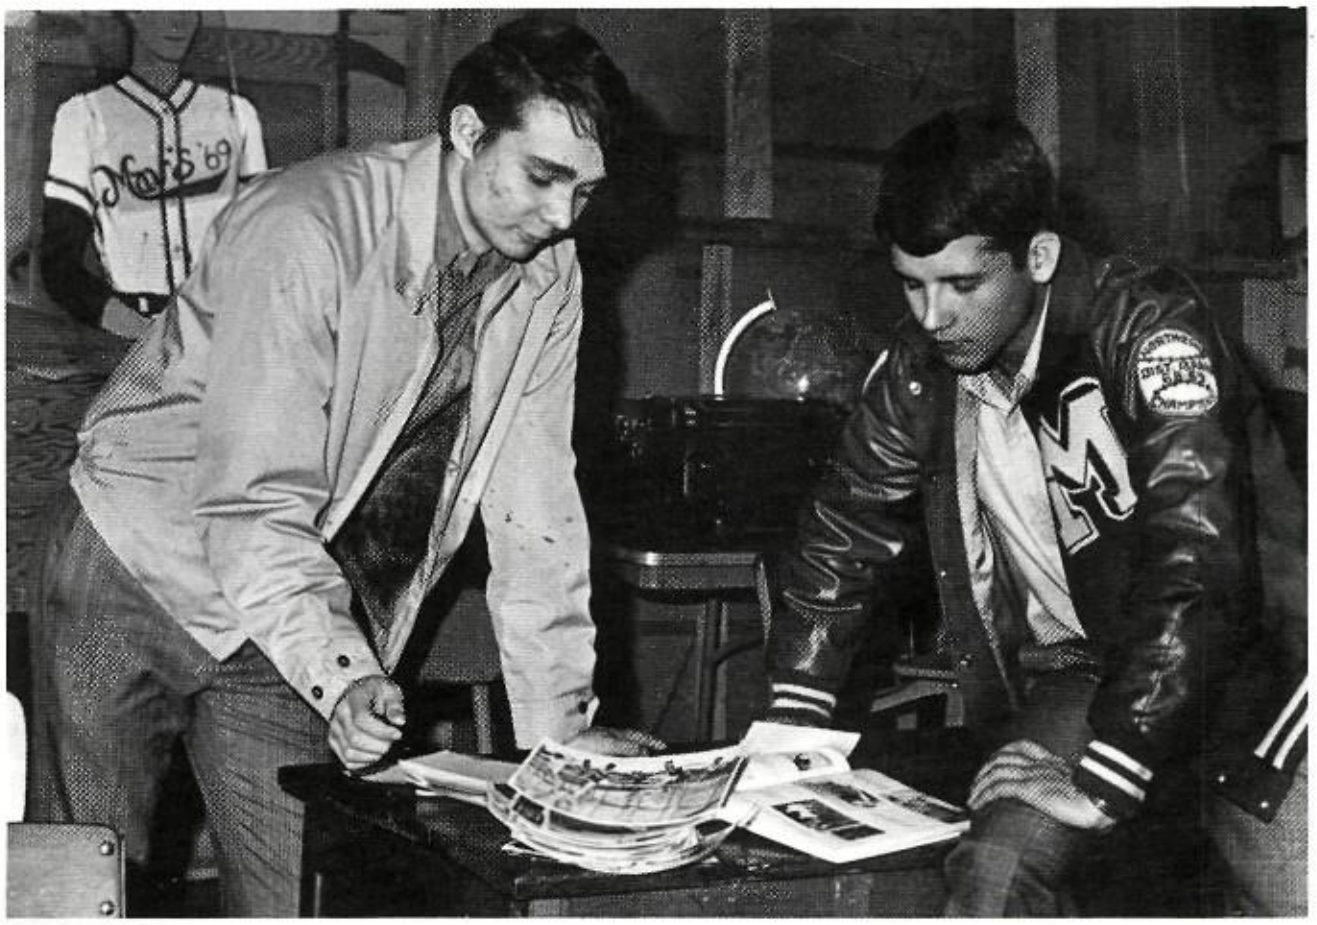
The M.H.S. Annual staff has worked hard this year to produce an annual that will well represent our fine high school. Our main objective is to give as detailed an account of school functions and organizations as possible.

Mrs. Peggy Wilson sponsors the annual staff and has done tremendously well. Not only has she led us devotedly, but has added quite a bit to the quality of the staff.

Editor Warren Clark and Asst. Beverly Kerr work diligently on their pages which include the introduction, which Warren does, favorites, and hall of fame, which Bev does. They also lead the staff in numerous decisions and are always there to help when needed. Warren, aside from his job as editor, has spent many hours working as photographer.



Seniors John Crayton and Lonnie Sibley are in charge of the sports pages and have done a lot for the staff. This is John's third year and Lonnie's second.

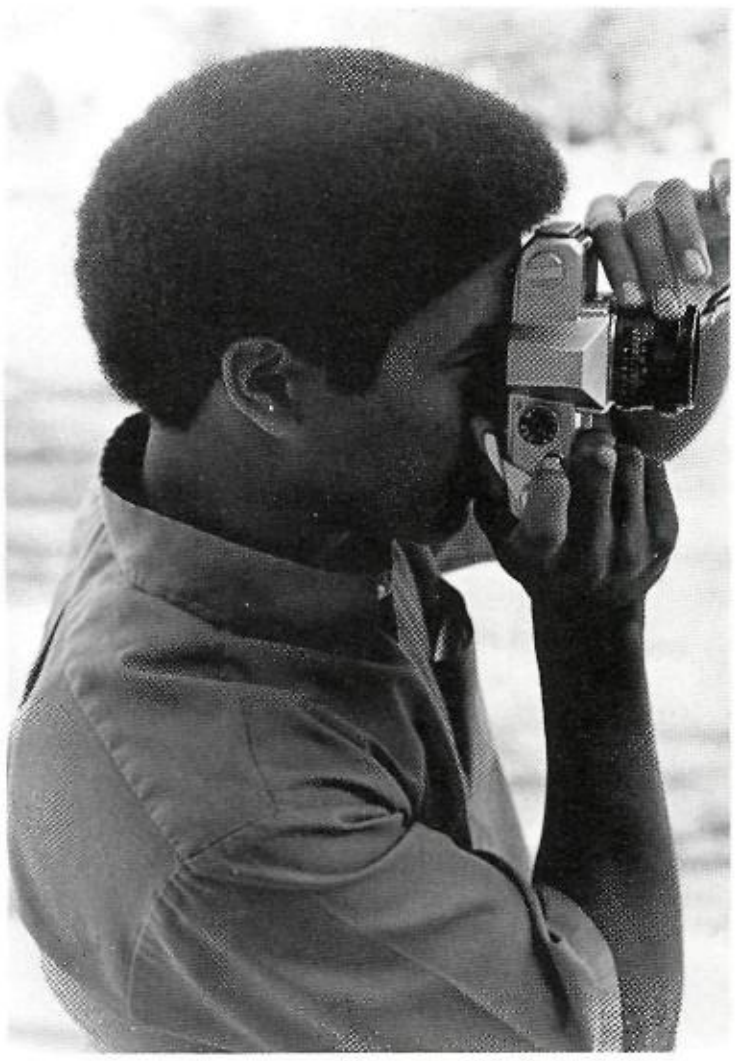
Junior Nancy Kariel did the Activities and Social Activities this year and has proved her dependability as well as faithfulness to the staff for the three years she has put into it.

Senior Suzy Baker and junior Elsie Snyder work together on the faculty and administration pages. This is Suzy's second year and Elsie's third.

Elizabeth Key and Suzan Ware look over completed pages. This year Suzan had charge of the ad section and Elizabeth assisted her. This is Suzan's second year on the staff and Elizabeth's second.

Head photographer David Lamothe focuses the lense for a clear shot. This is his first year and he has proved most valuable to us.

Nancy Kariel smiles as the final deadline is met.



David Hirsch and Cricket Hayes are shown at work. Cricket had charge of Co-curricular and organizations during her second year and David worked as photographer his Freshman year.

Early in the fourth quarter, Palestine scored after a fumble recovery at the Mav 10 yd. line. Following the ensuing kickoff, Marshall sustained a drive which was climaxed by a four yd. run by Phelps. Sibley converted to end the scoring. Dick Duncan and Raymond Christmas had outstanding games for Marshall.

Mavs Hang Scott 27-6

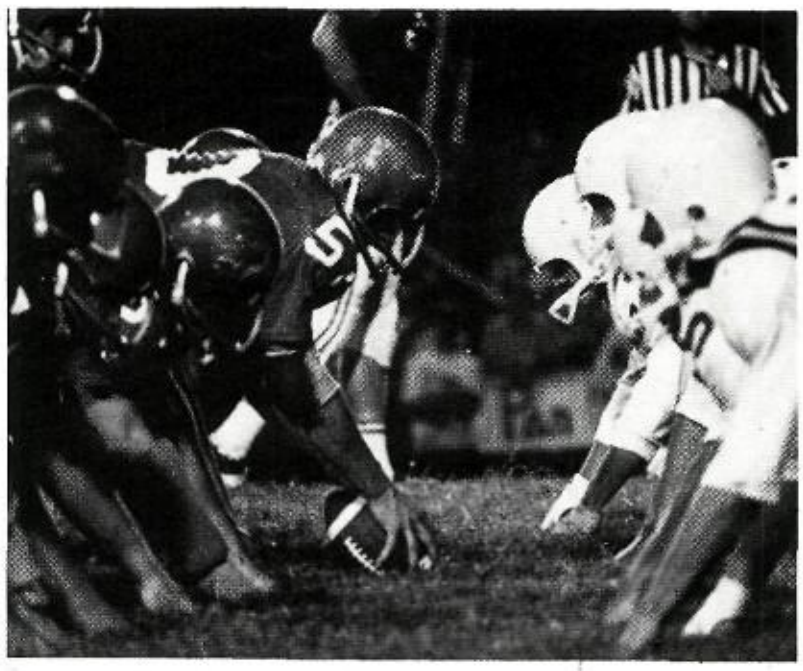
Lufkin Edges Mavs, 20-14

The tough Lufkin Panthers fought off a furious Maverick Rally to preserve a 20-14 win. Mike Jenkins scored the first Mav points with a 2 yd. run to tie the game. Lufkin then jumped out to a 20-6 lead until Jenkins scored again from 2 yds. out. A two-point conversion was successful and the Mavericks were in the game again. With only a few minutes left, Marshall drove to the Panther three yard line. However, two costly penalties pushed the Mavericks back, and they lost a game which they had played good enough to win.



The Maverick line prepares to explode.

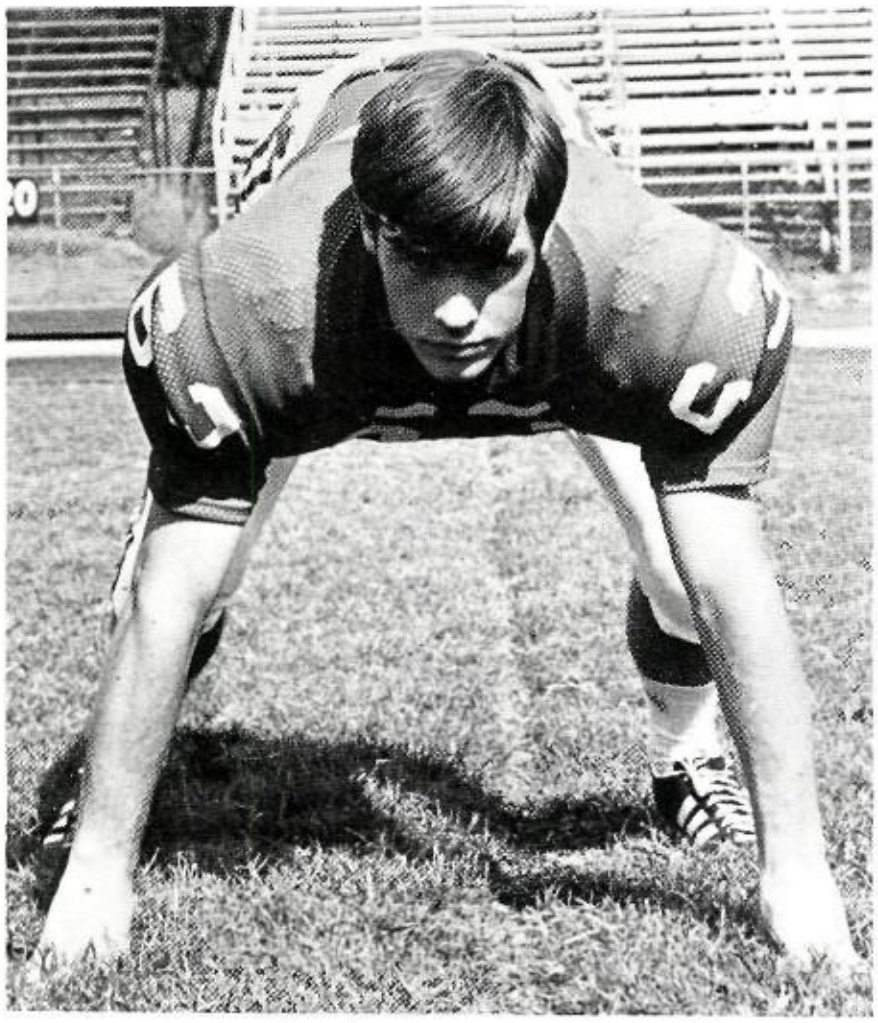
Mavs Plaster John Tyler, 20-8



David Godwin—Sr., Guard

The Mavericks gradually wore down John Tyler and broke a close game open with a strong second half rally. After a scoreless first half, Mike Jenkins plunged over from 2 yds. out for the first score. Following a sustained drive, Jenkins scored from 3 yds. out. Lonnie Sibley converted after both TD's. Adrian Ford fired a 53 yd. pass to Jay Lawrence for the final score. The PAT was blocked. The Lions made their only score late in the game.

Referee signals a Maverick touchdown.

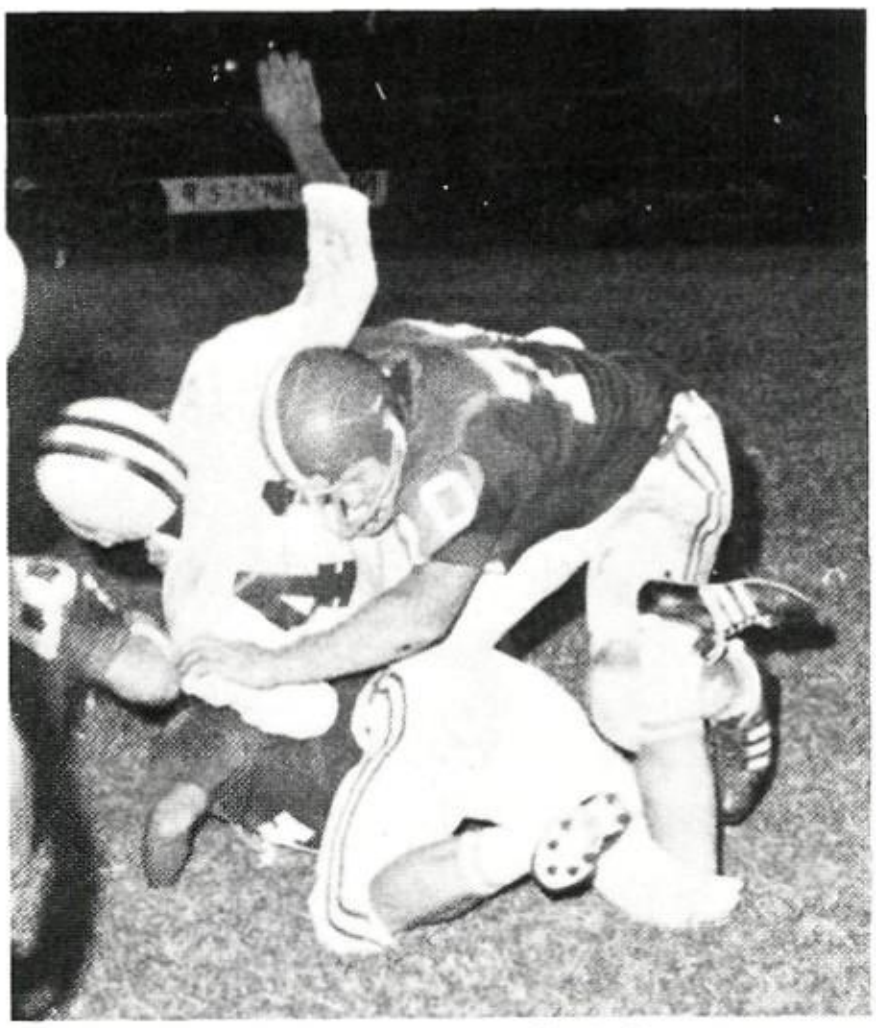
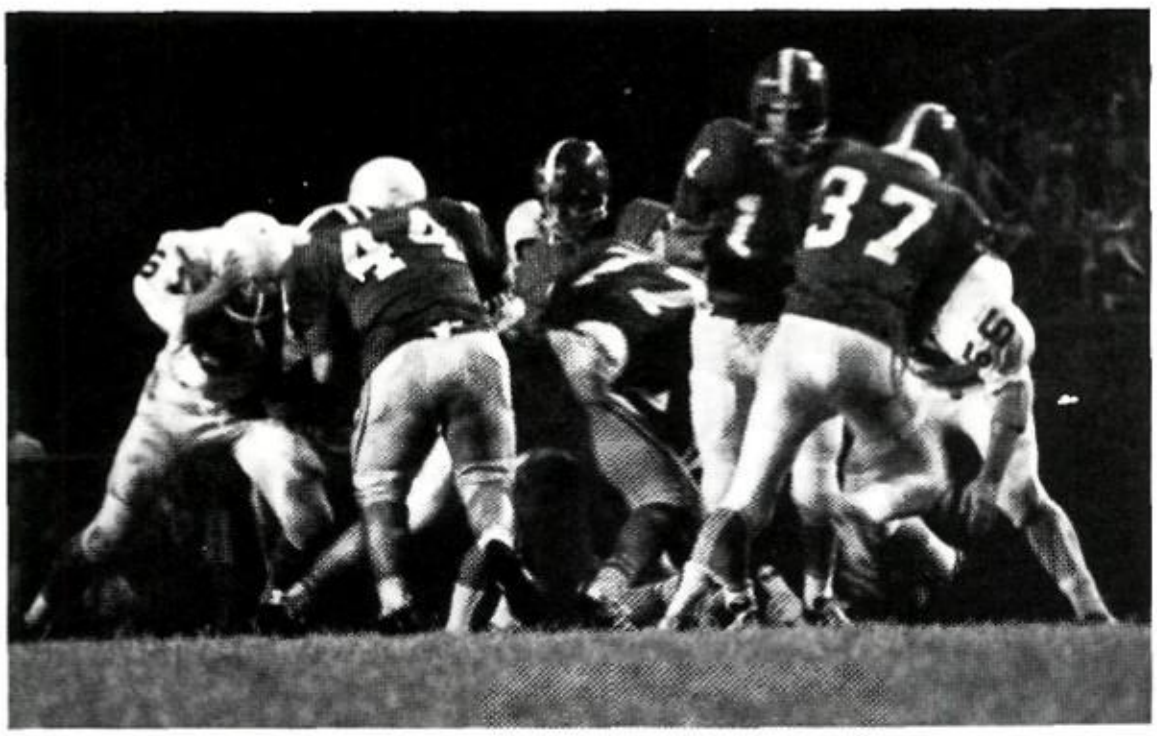
Lee Takes Mavs, 21-14

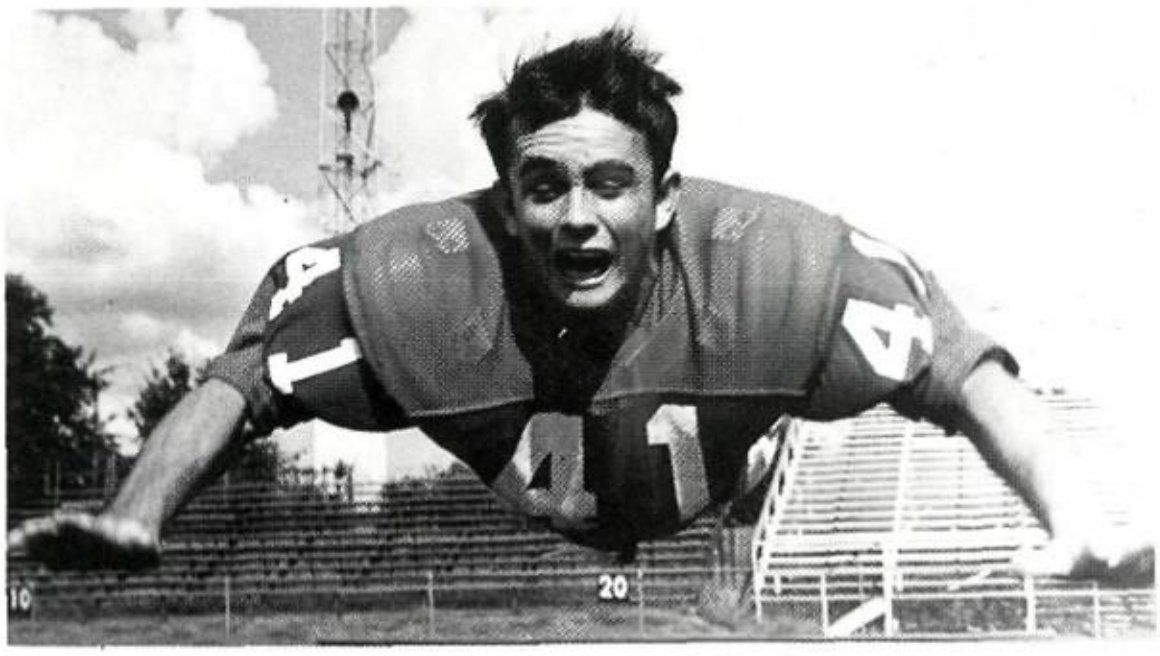
The Mavericks fell to a feisty Tyler Lee team by the score of 21-14. After falling behind by the score of 14-0, the Mavericks came back fighting. Archie Jones snatched a 25 yard scoring pass from James Phelps to put the first points on the board for Marshall. The pass for two points failed. With one minute left in the first half, Jay Lawrence caught a 53 yard Phelps aerial for a touchdown. The conversion for two points was good and the score was tied at halftime. Late in the 4th quarter, Lee quarterback Phil Brooks fired a 6 yard scoring pass to Kenny Townsend on 4th down. The extra point was good and Lee managed to hang on for a victory.



John Oden puts the stop on a Lee ball carrier.



James Phelps gives the ball to Kyle Furrh (37) for a quick dive.



Mike Woodfin—Jr., Fullback.

This year—

has been one of
length and hard work.
No one will probably
know what the staff
went through to give this annual
to you but I guess it
really doesn't matter. These
are the closing days for the
seniors of 1970 and for many
of us, we won't be seeing
much of each other again.
Therefore, this is the link we
students have with each other—
this 320 page, pictorial journal
of events, happenings, and most im-
portant—people of MHS. It's not
